The Drill schedule is fluid and can change at times from week-to-week. We do our best to keep them consistent, but they can fluctuate. Get on the adult email list – EVERY Monday morning and email is sent out with the drill schedule for that upcoming week!

All drills are drop-in and anyone can attend! You need to contact Marc (Marc@SpringsTennis.com or call (719) 385-6023) to be put on the drill email list. Simply email Marc that you plan to attend and the first 8 people who respond will reserve their spot in that drill! No more than 8 people are accepted to ensure a small drill environment.

Drills are high energy classes with the purpose of getting you to hit as many balls as possible in an hour-and-half! There is very little feeding, so no more being bored while standing in a long line waiting for your turn to hit a couple of tennis balls. Drills are exclusively feed-in games and drills with constant rotations that allow you to hit against all participants. Games and drills will focus on each stroke, but there will always be a large variety of games and drills with constant movement and fun. The focus of our instruction is game based, enhancing learning through situational play, as well as stroke development. The program is also a great way to meet new players of your ability level.
